Revised organisational design schedule
Design work has been reorganised into three groups:

Group A Starting from June Org structure is less dependent on the design of other branches and can progress at their own time and pace		Group B Starting from June Org structure is highly connected across the operating model and influences the design of Group C		Group C Starting from August Org structure enables and supports the customer-centred operating model	
CST	Customer Payment Services	CST	Transport Planning	CS	Finance
CST	Customer Strategy & Experience	GS	Operations	CS	Commercial & Strategic Projects
CST	Advanced Analytics & Insights	GS	Community & Place	CS	Group IT
CST	Technology & Innovation	GS	Planning & Programs	CS	Legal
CST	Freight	IP	Development	CST	Public Affairs & Marketing
GS	Finance & Commercial (Commercial)	IP	Rail Delivery	GS	Finance & Commercial (Finance)*
